Then card sharks is the enrichment for you!!!! Learn games for young and old!!Come to portable 38 and you will get some fresh air and wicked views out the windows! Offered by the Queens of hearts Miss Gross and Mrs. Rubadeau
ES9	Mr. McLeod	Rm 21	20	Strength & Conditioning	We will creatively use equipment like TRX straps, bosu balls, resistance bands, and our own body weight to learn about and practice exercises to build strength, balance, and endurance.

	Teacher	Rm #	size	Topic	Description
ES10	Mr. Longman	Rm 15	25	Scratch Video Games	Description: Are you interested in creating your own video games? What about adding your own images and characters into popular classics like Mario Kart or Flappy Bird? Well, let's use scratch to make our own games and have a ton of fun programming!
ES11	Ms. Tucker	Rm 7	24	Social Justice	The Social Justice Club will provide students with a safe and inclusive space regardless of race, gender, sex, and ethnicity to get together and promote understanding, acceptance, and celebration of all individuals. We will be doing activities to raise awareness and make positive change in our school community.
ES12	Mr. Gruenenwald & Mr. Piasentin	Gym	20	Archery	Are you the next Katniss Everdeen? Do you want to learn to shoot a bow and arrow? The National Archery in Schools Program (NASP) will give you the opportunity to learn the life-long sport of archery in a safe and controlled environment. No experience or equipment needed.
ES13	Ms. Pouliot Ms. Leone	Rm 12	24	Forensic Science	Forensics is a science that is a lot like a game! It involves finding clues, piecing together a puzzle, and solving the mysteries left behind at a crime scene. In this enrichment, you will learn about crime scene investigation with hands-on activities. Learn to take fingerprints, collect evidence, analyze handwriting, type blood, and many other exciting activities.

	Teacher	Rm #	size	Topic	Description
ES14	Mrs. Piasentin & Ms. Fiske	Rm 14	24	Wonder Women Empowerment	In this group, Ms.Fiske and Mrs.Piasentin will challenge girls to take charge of their lives. We will cover topics like self-esteem, body image, anxiety/mental health, healthy relationships, and MORE. Come prepared to learn, share, and participate in activities.
ES15	Mr. Wardman & Ms. McDonald	Library	10	Lego Robotics	Come be part of a team that designs, builds, and programs LEGO Robots to compete against other school teams in real world challenges. This year's theme is Cargo Connect. Grade 6's, 7's and 8's ignite your curiosity in this sport where everyone is welcome. See the video! https://youtu.be/eJSDHC_9Sxk
ES16	Ms. Buchanan	Rm 25	25	Colouring and Connect	Looking for a relaxing way to expand your mind? Join coloring enrichment to improve your fine motor skills and problem-solving skills. No need to be an expert artist, all abilities are welcome! Join coloring enrichment to create some colorful art and to connect with friends, new and old!
ES17	Ms. Guarducci	P 35	15	Relaxation and Restoration	If you need to learn to unwind, relax, and learn to nurture yourself, this is the enrichment for you. You will need a yoga mat, blanket, or towel so you can stretch out on the floor. We will learn about proper nutrition, stretching, and relaxation techniques.
ES18	Mr. Schmalz & Ms. Dean	Gym	24	Extreme Dodgeball	Come checkout the 10 different versions of the world's greatest game!

	Teacher	Rm #	size	Topic	Description
ES19	Mr. Miller	Rm 20	15	Coding & Robotics	The Coding and Robotics program is designed to provide you the opportunity to learn how to make cool stuff such as games, apps, and robots. Coding and Robotics is an awesome opportunity for you to develop your making, engineering, and coding skills. Start mapping your future as innovators, change-makers, inventors, and entrepreneurs.
ES20	Ms. Nicholson & Mrs. Aeckersberg	Rm 19	28	Water Colour	If you love to paint with watercolour paints or you would like to learn how to paint with watercolour paints, then this is the enrichment for you!
ES21	Mr. Prodger	Rm 17	20	Spaghetti Bridge Engineers	Do you like working with your hands? Do you like problem solving? Do you like spaghetti!? Come design and build your own spaghetti bridge! We will test all different designs and methods to see who can create the strongest bridge.
ES22	Mr.Selkirk	Rm 10	20	Finger Skateboarding	Interested in becoming the next finger skateboard professional? Look no further than Tech Deck Enrichment. We will be designing and building different skateable obstacles such as ramps, stairs, and more. Along the way we will look to add some new tricks to our arsenal. Finally, you will be tasked with creating a video montage of your absolute best footage.

	Teacher	Rm #	size	Topic	Description
ES23	Ms. Seitz	Rm 16	25	Books, TED Talks, and Chats	BTC is an enrichment where we sometimes read articles or books, sometimes watch TED Talks, and other times we chat about what is happening in the world. You can suggest some topics and feel free to share some readings that will drive our discussions. Mrs. Seitz can always think of current and relevant things to talk about, ha ha, but it would be great if the group joined in to form where this open ended, thoughtful, and insightful enrichment will take us! Pack your bags, everyone, this could be such a fun ride!
ES24	Ms. Driscoll, Ms Vrtar, Ms. Michaud	Gathering Room	12	First Peoples Culture	Come explore the First Peoples culture through the teachings of the 4 Food Chiefs and art
ES25	Ms. Grassie	Rm 32	5	Sew What?	Rm32 will be hosting a sewing and craft enrichment! Join us to learn how to sew either with a machine or by hand. We will also explore cross-stitch, macrame, and any other craft you can think of. Tea and treats will be provided to fuel your craft enthusiasm.
