

Term 1 Enrichment Options 2026

	Teacher	Topic	# of Students	Space	Description
ES1	Mr. Piasentin & Ms. Richardson	Archery	20	Gym	Are you the next Katniss Everdeen? Do you want to learn to shoot a bow and arrow? The National Archery in Schools Program (NASP) will allow you to learn the life-long sport of archery in a safe and controlled environment. No experience or equipment needed. See you there!
ES2	Mr. Flood & Mr. Bulach	Ball hockey	25	Gym / outdoor Bball court	Are you the next Connor McDavid? Get ready to unleash your inner hockey superstar. Lace up those sneakers and get ready for some fast paced action, teamwork, and unforgettable fun in the gym and outside.
ES3	Mr. Prodger	Old Skool Board Games	24	Port 41	Do you enjoy the fun and challenge of some vintage board games? Would you like to grab your favourite snacks/drink, get comfy and play a game with friends? Come play some old classics and discover some games you haven't played before. Games like Pay Day, Clue, Full House, Monopoly, Mad Magazine Game, Connect 4, Battleship, Twister, and more!
ES4	Mrs. Bulach	Doodle Den	25	Port 38	Unplug, slow down, and give yourself permission to create! The Doodle Den is a relaxed space where you can explore your creativity. Fill a page with fun designs, experiment with shapes and patterns, sketch something new, or simply enjoy the freedom of putting pen to paper. There's no right or wrong way to doodle—just come as you are and enjoy the moment! Whether

					you're looking to relax, express yourself, or enjoy some creative time with friends, the Doodle Den is the perfect place to unwind and have fun. Prefer something a little more structured? You can also spend some peaceful time colouring mystical mandalas.
ES5	Mr Loomer Mr. Walz	Minecraft	50	22A / 31	Are you a pro Minecraft player? Are you a redstone wizard? Play with friends and prove your Minecraft mastery!
ES6	Mrs. Nygaard	Strategic Games	30	23	Catan, Werewolves and Exploding Kittens. These games are not for the faint of heart. Join with friends or come make a few new ones.
ES7	Mr Salmon	Chess	24	7	Make your move! Join Mr. Salmon to practice your strategy, outsmart your opponents, and see if you can pull off the perfect checkmate. ♟️
ES8	Mrs. Overholt	Cartooning and Sticker Making	25	22	Learn cartoon and anime drawing techniques and how to use professional art supplies including Ohuhu alcohol markers. Learn to draw, fineline, colour, add shadows and highlights, cut, and vinyl your own stickers. Great for your own collection or to give as gifts!
ES9	Mr. Miller	Digital Detective Bureau	20	Port 42	Love cracking codes and solving mysteries? Step into the Digital Detective Bureau! Work solo or in

					squads to tackle digital escape rooms, whodunits, and Google Earth manhunts.
ES10	Mr. Senger	Cookie Club	24	Rm 24	In the famous words of the amazing Cookie Monster "C is for cookies which is good enough for me". Come to Cookie Club and learn how to bake different types of cookies. Sign up today!
ES11	Mr. Wrbaskic	Photography	22	Rm 18	Would you like to learn some of the guidelines that professional photographers use to take pictures? Is so, then take the Photography Enrichment.
ES12	Ms. McLean & Mrs. Neufeld	Cheer Team	22	Mezz	Are you interested in cheer? Join our Cheer Team and learn the basics of stunts, jumps, tumbling, cheers, and dance! Whether you're a complete beginner or already have some experience, everyone is welcome on our team. Make new friends, build your skills and confidence, and most importantly - have fun while bringing the energy!
ES13	Aeckersberg	Walk and Talk	25	Rm 25	Rain or shine we walk and talk. It is a great time to get to know new people or sign up with friends and chat while we walk. We always walk on the Greenway, enjoy the fresh air, relax, and improve our physical and mental wellbeing. No stress, just walking and talking.
ES14	Parker and Grassie	Kinder Buddies	44	Rm 16	Welcome to Kinder Buddies! This enriching program offers you the chance to build meaningful connections with kindergarten and grade 1 students through activities like art, reading, outdoor play, and nature walks. We are seeking dedicated students who are enthusiastic about working with younger children and committed to making a positive

					impact.
ES15	Mr. Selkirk	Scratch Coding 	25	10	Scratch is an awesome introduction to computer programming. We will learn how to make use of this powerful tool to create games and other fun digital animations. If you have a love for digital design with a touch of art, this Enrichment is for you!
ES16	Ms. Guarducci	Read It. Imagine It. Create It!	25	Port 35	Do you love getting lost in a good book—and then finding yourself wondering, <i>“What if I could bring this story to life?”</i> In this enrichment, your imagination is the starting point! Bring a book you love, your wildest ideas, and a willingness to experiment. We’ll explore creative ways to respond to what we read through art, making, movement, and the magic of nature (The Garden!!!).  Turn story moments into art.  Let nature spark new ideas.  Discover characters, places, and adventures in unexpected ways.  Create something that is uniquely <i>you</i>. There’s no “right” way to be creative here. Read. Wonder. Explore. Create. Let’s see where the stories—and your imagination—take us!
ES17	McLeod (if not needed for ES12*)	Board and Tabletop Games	25	21	Students will have an opportunity to learn and play different board and tabletop games, ranging from simple to complex (<i>Connect 4</i> to <i>Battleship</i> to <i>Risk</i>) and from traditional to innovative (chess to

					deck-building games like <i>Star Realms</i> and original games like <i>Onitama</i>). There will be games to choose from, and students will be able to bring their own games and card decks if they would like to.
ES18	Ms. Greenall	Movie Madness!	24	16	If you are a movie buff and want to start your Friday with some entertainment, this is the enrichment for you! Each week, we will watch most of a movie and discuss all things behind-the-scenes, including acting, directing, special effects, music, costumes, and storytelling. We'll talk, play movie trivia, and explore what makes a great film.
ES19	Ms. Siegrist	Junk Journaling	24	Rm 17	Bring a journal and your creativity! Scrapbook your most treasured memories into a creative masterpiece. We will be using whatever materials we can find, whether it be photos, scrap paper, "junk" or something you collected to create personalized art.
ES20	Mrs. Leone and Mrs. Poliot	Forensic Science	25	Rm 12	Do you love solving mysteries and finding clues? In Forensic Science, you'll become a crime scene investigator and use science to solve exciting cases! Through hands-on activities, you'll learn how to collect and analyze evidence, take fingerprints, examine handwriting, explore blood types, and much more. Put your detective skills to the test and see if you can crack the case!
ES21	MR. SCHMALZ	Long Distance Run Training	20	Rm 20	Learn how to run like a BEAST. Learn how to train to run forever. Long Distance Running is a continuous

					form of endurance footracing covering distances of 3 kilometers (1.8 miles) or more. Learn the physical training and mental strength hacks that will help you run as far as you want.
E22	Ms. Petkau	Watercolour	20	13	Start your Friday off with the calming vibes of watercolour painting. Come to learn some new skills, teach others what you know, or just be mindful in a creative activity.
E23	Mr. Wardman	Lego Robotics	20	LIB	Love Lego and Robots. Come be creative and make all kinds of robotic creations using our NXTs. Learn coding and building techniques. If you are planning on joining competition Robotics this year, this is a great place to get started and we can connect you with a team and you can use this time to create using SPIKE bots and the competition board.
