

SMS School Supplies List 2025-2026

Thank you for ensuring that you and your student have read through the following list together and that your student comes prepared for school.

All SMS students will be using a binder to organize the majority of their schoolwork and planning. They will use this binder system along with their agenda, to keep a hard copy of some home practice materials and occasional study notes. Students are taught the process of “pruning” their notes for organizational and study purposes. This binder will facilitate organization but keep the weight of the backpacks to a minimum.

We are asking all students to purchase the following items:

- **2 inch 3-ring plastic or vinyl binder (not zippered) for grade 6 students**
- **2 inch 3-ring zippered binder for grade 7 and 8 students**
- **A set of dividers for the binder**
- **Pencil case**
- **Lined, unlined & quarter inch graph looseleaf paper, usually comes in packs of 200 sheets**
- **10 pens, 10 pencils, 3 highlighters, 3 whiteboard markers, ruler, eraser, geometry set**
- **Pencil crayons or felts**
- **Basic calculator for grade 6 and 7 (not on their phone)**
- **Scientific calculator for grade 8 (not on their phone)**
- **Plug-in style earbuds or headphones (strongly recommended)**

Optional items:

- **Scissors, glue stick, tape, pencil sharpener**

Note: A few other specialty items may be requested by teachers; however, sufficient warning will be given to allow students the time to purchase these.

Thank you.
