Parent Advisory Council Meeting March 12, 2018

Administration Report

1. Filtered bottle filler to be installed during spring break. Healthy Schools Initiative will contribute \$2000. Total estimate was \$5000, including 10 filters.
2. Picnic tables available at ~\$1200 each. Installation extra, but minimal, given our installation situation. Waiting to hear from other schools re: *bulk order*.
3. Bike racks - Thank you!! We will have these ready to go for the first week back from break. Mounted on 2x6, so they won't tip over and kept in the compound.

6. Course selection with grade 8s is done. More info from the high school as it comes available.
7. Spring Enrichment topics will be made available this week. To be posted via Remind App, on the website and in the hallways. Students will choose later this week.
