Find your child's Written Learning Updates (Report Cards):

When your child's Learning Update has been posted, you will find it under the Published Reports Heading (halfway down on the right-hand side). It will not be there until we have posted them. You will be able to view it, download it, and print/share if you want.

Published Report Cards will remain on the system for a certain period of time. Published reports are only available for the Current School Year; we recommend that you download these reports to your phone/computer.

You may need to enable pop-ups in order to properly see content.
